

# UNIFORM POLICY

All students from Kindergarten through Grade 8 are required to wear uniforms. The purpose of the uniform policy is to minimize the influences that distract from the goals of the school. Reasonable care and neatness with regard to cleanliness, dress, and appearance are required at all times. Parents are requested to see that their children come to school dressed in accordance with the uniform code. **Any student reporting to school out of uniform and/or judged to be in inappropriate attire may not be permitted to attend classes.** All students in grades K-8 are expected to follow the uniform policy. The Administration will make the final decision concerning all uniform issues/disciplinary action.
